

Stephanie Buller
Neighbourhood Planning Officer
The Gateway, Gatehouse Road
Aylesbury, Bucks.

23 July 2018

Dear Stephanie,

Re: Application for the Designation of Granborough Neighbourhood Plan

As you know, Granborough Parish Council have resolved to facilitate the creation of a Neighbourhood Plan for the parish of Granborough. This letter is the formal application for area designation.

As set out in your guide, please find below a map which shows the boundary of our proposed neighbourhood area.

This map covers the entire administrative area for Granborough as we understand that AVDC must consider allocating the entire area. All borders with neighbouring Parishes have been checked to confirm no overlap. Our neighbours are Winslow, Swanbourne, North Marston, Hogshaw and East Claydon, each area has confirmed their agreement with the administrative borders.

I can confirm that as a Parish Council we are considered a relevant body to make this application, and that since we are applying solely for Granborough Parish area, we are the appropriate body to do so.

I would appreciate acknowledgement of receipt of this application.

Yours sincerely

Tors Firth

Mrs Victoria Firth

Granborough Parish Council
