**82. Planning**

a. **Resolved;** To agree a response of no objection to application 19/02592/APP for stables next to 64 Winslow Road but with the following comments recorded;  
*"The Parish Council has noted the concerns expressed by the owner of the neighbouring property regarding the height of the fencing, and hopes this will be given due consideration.*

*The Council has no objection in principle to this application however since the stables are proposed beyond the last house in the village, the Council would like to see some form of protection to prevent the stables adding or being converted to housing, at a later date. Perhaps this can be achieved by removing permitted development rights?*

*The Council also noted the recommendation from environmental health that waste is removed from the site every month and would like to see this enforced, to help ensure close residents are not subjected to additional insect and odour nuisances.*

*Lastly, the Council is not sure why a new entrance is required when there is already a track accessing the field which could be improved instead?"*

**83. To confirm the date of the next meeting;** 10<sup>th</sup> September 2019
